PONTOONS

## A COMPANY BUILT TO LAST

At Bentley, our dedication to quality and craftsmanship runs deep, that's why we make our own components, such as furniture, tubes, and railings. Our in-house design ensures solid confidence in our construction while saving time and money, so we can offer the best value on the water. We employ a group of highly skilled, hard-working employees who pride themselves in creating a great product each and every day. We are focused on optimum performance and lasting peace of mind making our boats second to none. When you get on board a pontoon that's been crafted with integrity you're ensured longevity. Much like our company which is built to last, we can ensure many years of pleasure on your Bentley pontoon.

# THE POWER OF CHOICE

Whether you want to cruise the lake, enjoy fishing, or take pleasure in high speed watersports Bentley makes a pontoon that will meet all of your needs. We believe the best adventures begin with plenty of options and that's why we've crafted a wide variety of affordable pontoons for you to explore. Boaters who simply want to enjoy an easy ride on calm waters will enjoy our two-tube pontoons. And for the thrill seeker who wants a boat equipped with more horsepower the stability and structure of our three-tube pontoons will deliver unparalleled performance.
